

Rainier's Farmers Market

The Rainier "Market-in-the-Park" Farmers' Market is back for its third summer! Held at the city's Riverfront Park on "A" Street, the market offers booths selling fresh fruit, vegetables, baked goods, artwork, craft items, jewelry, food and other items for sale. Each booth is individually represented and run, allowing a multitude of products to be offered.

The Rainier "Market-in-the-Park" Farmers' Market is held the first and third Saturdays of the month, starting in May and running through mid-September, from 10:00am ~ 3:00pm. There will not be a market open on Saturday, July 14, when the annual Rainier Day in the Park celebration is being hosted. The Market is hosted by the Rainier Chamber of Commerce. If interested in having a booth at the Saturday market, contact Michael Kreger at 503.556.1312 or 503.320.8303, or via email at Michael.a.kreger@gmail.com or through mail at PO Box 1085, Rainier, Oregon 97048. The Rainier Chamber of Commerce offers additional information on their website: www.rainierchamberofcommerce.com.

The Rainier "Market-in-the-Park" Farmers' Market does not charge an admission fee and, due to its location, allows families to enjoy a fun outing while supporting an important community event.
