## **DENIM AND DIAMONDS**

Denim and Diamonds is the major fundraising event for the Columbia Humane Society in 2015.

In 2014, the Columbia Humane Society nearly doubled the number of pets adopted vs 2013 – a remarkable feat in such a small period of time. And it was done through the help of our community supporters both in and outside of Columbia County.

Each year Denim and Diamonds has grown both in attendance and net proceeds.

Without the help of our generous donors this would not be a reality.

The vision I have for this year is to predominate both the silent and live auction with items from local vendors who might not have enough exposure at the community level, and might be seeking more.

As a committee member of the Shop Local Initiative, and previous board member of the St Helens Economic Development Corporation, I truly feel that by properly displaying and advertising unique products from individuals like yourself at our event we can properly advertise for you and increase your exposure.

As the Columbia Humane Society is a 501(c)3 non-profit corporation, your donation is tax deductible as allowed by law. Please consult your tax professional for more advice.

If you have any questions or would like to donate, please do not hesitate to contact me at the information provided below. And of course – you're invited to attend! The attachment provides all the details for the event.

Thank you for your time, and I hope that you can be counted on to help us save more pets in 2015!
